

You can source information on your request, including quite specific data for various types of requests and numbers of them handled across our core social networking services in our latest annual report, which can be found here: https://corp.vkcdn.ru/media/files/vk-esg-2021_eng.pdf

The process for handling requests was also described in our ESG report for 2020, which can also be found on our corporate website here: <https://corp.vkcdn.ru/media/files/esg-2020.pdf>
