INDEPENDENT AUDITOR'S REPORT

The Board of Directors
Access Now, Inc.

We have audited the accompanying financial statements of Access Now, Inc. ("Access Now", the "Organization") which comprise the statements of financial position as of December 31, 2014 and 2013, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

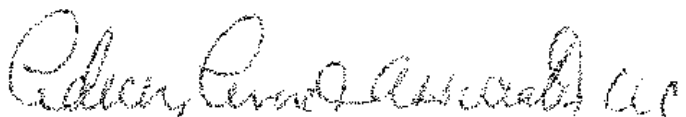

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Access Now, Inc. as of December 31, 2014 and 2013 and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

ACCESS NOW, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2014 AND 2013

Note A - Organization and Nature of Activities

Access Now, Inc. ("Access Now", the "Organization") is a global movement for digital freedom that focuses on public awareness projects intended to educate the general public around the world on matters of digital freedom, internet access and internet security rights.

Access Now, Inc. is a not-for-profit organization incorporated in the state of California and was granted exemption from income tax under Section 501(c)(4) of the Internal Revenue Code ("IRC") from the date of incorporation, July 31, 2009 up to December 31, 2013. Effective January 1, 2014, the Organization was granted tax exemption under Section 501(c)(3) of the IRC.

Note B - Summary of Significant Accounting Policies

Basis of Accounting

Access Now prepares its financial statements using the accrual basis of accounting. Access Now follows accounting principles generally accepted in the United States of America ("US GAAP") which include certain specialized requirements set forth in publications of the Financial Accounting Standards Board.

Cash and Cash Equivalents

Access Now considers all highly liquid investments with a maturity of less than three months to be cash equivalents.

Grants Receivable

Grants, which consist of unconditional promises to give, are recognized as revenue in the year received. Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at present value of their estimated future cash flows.

Restricted Contributions

Contributions are recognized when the donor makes a promise to give to Access Now that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

Conditional Contributions

Conditional promises to give are recognized when the conditions on which they depend are substantially met.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Fair Value Measurements

Fair value measurements are based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Note B – Summary of Significant Accounting Policies (continued)

Property and Equipment

Property and equipment are stated at cost, less accumulated depreciation and amortization. Depreciation and amortization is provided for in amounts sufficient to relate the cost of depreciable assets to operations over their estimated useful lives. Access Now capitalizes property and equipment with a useful life of two years or more and a cost of \$1,000 or more.

Program Income

Represents registration fees at a conference presented by the Organization.

In-Kind Contributions

Contributions of donated non-cash assets are recorded at their fair values in the period received. Contributions of services are recognized if the services (a) create or enhance non-financial assets or (b) require special skills that are provided by individuals possessing those skills and would typically need to be purchased if not provided by donations.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statement through the date that the financial statements were available to be issued, which date is August 13, 2015.

Accounting for Uncertainty in Income Taxes

Access Now's accounting policy is to record liabilities for uncertain tax positions when a liability is probable and estimable. Management is not aware of any violation of its tax status as an organization exempt from income taxes, nor of any exposure to unrelated business income tax. The Organization is no longer subject to examination by federal tax authorities for fiscal years prior to 2011.
